Way Up High

Way up high in the apple tree,
A little red apple smiled down at me.
I reached up as high as I could.
But the apple was too high! Oh no! No good!
Should I give up? No!
Let's get help! Here comes...

Horse...
Cow...
Pig..
Sheep...
Chicken...

Way up high in the apple tree,
A little red apple smiled down at me.
I reached up as high as I could.
And picked that apple.
Mmm mmm it was good!
