Sock Matching Game

Hang socks on clothesline with clothespins across the flannel board.

Ugh, these socks are soooooooooo dirty! Let's do some laundry.

Put the dirty socks into the washing machine to wash. Press the button, shake it and make washing sounds.

Now let's see if we can match up our nice clean socks!

Pull out one sock at a time. Ask what color it is. Put up on the board clothespin to the line as you find them. Pull the next sock. Ask if we've found a matching pair. Pull out the underwear at the end and say:

How'd that get in there?!
