## Flowers Make A Rainbow

Flowers in a garden  
What colors can they be?  
Let's look at all our flowers  
What colors do we see?

Here is \*one little flower  
What color can it be?  
A color in the rainbow  
**Red** is the color we see.

\*2 **Orange**

\*3 **Yellow**

\*4 **Green**

\*5 **Blue**

\*6 **Purple**

Flowers make a rainbow  
Of colors that we know.  
Colors bright and pretty,  
That's why we love them so!
