## Did You Ever See A Turkey?

*Tune: Did You Ever See A Lassie*

Did you ever see a turkey, a turkey, a turkey,  
Did you ever see a turkey, with feathers so bright?  
With red ones and orange ones and yellow ones and brown  
ones,  
Did you ever see a turkey with feathers so bright?

Did you ever see a turkey, a turkey, a turkey,  
Did you ever see a turkey, with feathers so bright?  
With spotted ones and striped ones and zebra ones and cow  
ones,  
Did you ever see a turkey with feathers so bright?
