## Turkey Feathers

Here's a turkey. *Place the turkey on the flannelboard.*  
But he's missing something! What is he missing?...Feathers!

What color is this feather? *Bring out the red feather*  
**Red!** That's right! Let's put it on the turkey.  
*now sing, to tune of Mary Wore Her Red Dress*  
Turkey wore his red feather, red feather, red feather.  
Turkey wore his red feather all day long.

**Orange...**

**Yellow...**

**Green...**

**Blue...**

**Purple...**

Let's see, what color feathers does turkey have? *rename all the colors*

And what does that make?

A rainbow!
